Hi John,

Hope all is well with you and Celsius. You guys are on FIRE! I'm reaching out to see if you and a guest would like to play in the TimberTech Pro-Am this year. I have a few spots that we offer to local executives with our compliments as a way of saying "thank you for doing business in Boca" ... as you can imagine, these spots go quick so if you're interested, please let me know as soon as possible.

Our day of play is Wednesday November 1<sup>st</sup> and the Pro-Am details can be found in the attachment above. Again, we're offering you two spots at no cost as a thank you for building such an incredible (and well-known brand) in our beautiful city!

Thank you!
